HOPELESS CASES.

When the doctor leaves and says the case is hopeless, what remains to be done? Nothing, if the doctor's word is final. Much, if you will listen to the statements of men and women who were once "hopeless cases" given up by doctors, and who were perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery.

Nothing is more sure than that thousands of men and women with diseased lungs, obstinate coughs, hemorrhage, emaciation and night sweats, have been restored to perfect health by the use of "The Discovery." Will it cure you?

It has cured in ninety-eight cases out of every hundred where it was given a fair and faithful trial. By that record you have only two chances in a hundred of failure and ninety-eight chances of being restored to perfect health. It is worth trying.

Abram Prosser, Esq., of Rockbridge, Greene Co., Ill., writes: "My wife had a severe attack of pleurisy and lung trouble; the doctors gave her up to die. She commenced taking Dr. Pierce's Golden Medical Discovery and she began to improve from the first dose. By the time she had taken eight or ten bottles she was cured, and it was the cure of a large amount being sold here. I think the Golden Medical Discovery is the best medicine in the world for lung trouble."

FREE. Dr. Pierce's Common Sense Medical Adviser containing over a thousand large pages is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

CATARRH Nasal Catarrh
In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives out a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying; does not produce sneezing. Large Size, 50 cents; at Druggists or by mail, Trial Size, 10 cents. By mail, ELY BROTHERS, 36 Warren Street, New York.

Can you eat? O here can. Latest improvements in teeth. Our patent suction never falls down.

Call and have a set with the above improvements. Old loose and ill-fitting plates corrected in fit, durability and comfort perfectly true to nature. Dr. W. P. HUTCHINSON, Dentist. Corner Prince and Washington Streets. Office Formerly Occupied by Dr. Fawcett.

FOR OVER SIXTY YEARS.

Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

THE BIG BEEF TRUST.

A semi-official statement in the big beef trust plans was made in Chicago on Saturday. The capital is to be \$500,000,000. It is to be divided into \$100,000,000 bonds, \$200,000,000 preferred and \$200,000,000 common stock. The bonds are to be underwritten by the National City Bank syndicate, with President James Stillman as the manager. The underwriters are to receive 10 per cent. of the bonds.

Whether additional compensation is to be paid for in stock is not stated. The bonds, if they carry a 4 per cent. interest, would command about 90 in the open market and the proceeds to the trust would be around \$31,000,000. It is said that the outside plants purchased will take up the bond proceeds. This immense capital lends assurance to the story that the combine will take over the Union Stock Yards in Chicago and the stock yards at South Omaha, St. Joseph and Kansas City, Mo., and East St. Louis. This would give the combination a complete control of the packing market and shut any independent competitor from the vantage ground of operating in the yards.

The money market is now the only obstacle in the way of the merger. The executive officers will be the Chicago crowd—Gustavus Swift, E. C. Swift, Ogden Armour, P. A. Valentin and Edwin Morris. The conversion basis of the stock will not be made public. On the enormous capitalization a tremendous business must be expected and large increases in prices are inevitable.

The only packing company making public reports is Swift, and with a capital of \$25,000,000 it has not been able to show over 10 per cent. earned in any one year. Its business has been placed at one-fifth of the packing aggregate of the country.

The continuance of the old price list would just about earn 6 per cent. on the preferred stock. The taking in of the stock yards companies, which are separate from the packing houses, would give large additional revenue, for they are good earners. The amount raised from the bonds will be used in liquidation of floating debt and payment for the packing plants recently purchased by Swift and Armour.

Preparations are being made to resist many State and political attacks on the merger.

TO ECLIPSE LADY CURZON.—The official programme of the Delhi "Curzonization" makes no mention of the Vicereine (formerly Mary Leiter, of Chicago). It recognizes only the Viceroy and the Duke (King Edward's brother) and the Duchess of Connaught, who have precedence next after the Viceroy. Lady Curzon will follow and stand at the foot of the Viceroy's throne with a Duchess in advance of all the other titled and official persons.

The programme provides that the Viceroy shall leave his camp with an escort of British cavalry, the Imperial Cadet Corps and a regiment of native cavalry. He will drive into the arena with the Imperial Cadet Corps and a bodyguard.

The royal imperial standard will then be hoisted, the national anthem will be played and a salute of one hundred and one guns will be fired.

When this is finished there will be another flourish of trumpets and the Viceroy will address the Durbar. The ruling chiefs of India will then advance to the dais and offer congratulations to the Viceroy, who will receive them standing with the Duke of Connaught. The Durbar will then close and the Viceroy and their royal highnesses will depart. The arrangement of and allotment of the huge camps to be occupied by the Viceroy, his suite, the Duke and Duchess of Connaught, the Indian princes and the enormous crowd of visitors which the occasion is drawing from all parts of the empire has reached an advanced stage. Forty thousand tents will be required. A complete system of light and railway is being provided to connect the various camps, which will almost completely surround the city of Delhi.

PREFERRED CONVENT TO UNLOVED HUSBAND.—Much disappointment has been caused at the courts of Austria and Bavaria by the sudden breaking off of the betrothal of the Archduchess Maria Annunziata with Duke Siegfried of Bavaria.

The event is without parallel in the history of the House of Hapsburg, the most exclusive and "correct" in Europe. Yet the kind-hearted Emperor, Franz Joseph, has yielded to the pleadings of his niece, who declared that she "would rather enter a convent" than marry her fiancé (the Emperor's nephew) as "their temperaments do not harmonize."

She is, by the way, the honor-ary abbess of the Convent of Noble Dames at Prague, having been installed in this office on October 19, 1895.
